Undercover Mom 2: twice the fun, double the trouble!

This is Lisa Marcelli:
she is a single mom, junior lawyer, desperately seeking a job and deeply in love with her boss, Enrico, who is a hard-worker, serial-lover, secretly married with Nina who wants Enrico back and who is madly jealous of Lisa. There is also Perla, Lisa's crazy best friend, simultaneously taking care of Lisa's family (Mia, Giuseppe and Aurora) and Enrico's business (Massimo and Cassandra)! Everything seems hopelessly messed up but along comes Enrico's best friend and Nina's lover, Diego, who, in turn, falls in love with Lisa. And it gets... worse!
